Spending time playing and learning outdoors is essential for a happy childhood and helps children learn important skills for the future. That's why we're celebrating Empty Classroom Day! Join the movement at: www.emptyclassroomday.org.uk

Pátek 17. 6. vyhlásila britská organizace jako mezinárodní den prázdných tříd a vyzvala všechny učitele, **jděte učit ven!**

Jedná se o celosvětovou kampaň k oslavě a inspiraci učení pod širým nebem, která by měla:

- přimět k zamyšlení nad délkou pobytu dětí venku
- vzbudit v dětech zájem o pobyt venku
- vést děti k inspiraci přírodou a spolupráci s ní
- vzájemně inspirovat učitele při výběru aktivit pod širým nebem

Ke kampani Empty Classroom Day se připojuje i naše škola.

CONNECTING COMMUNITIES FOR GOOD

Empty Classroom Day is a UK campaign to celebrate and inspire learning and play outside the classroom. Backed by Persil, led by Eco-Schools England and with support from Project Dirt, the campaign aims to get as many children as possible outside for at least one lesson in the school day. Spending time playing and learning outdoors is essential for a happy childhood and helps children learn important skills for the future. This is part of the global Outdoor Classroom Day campaign, as part of the Dirt is Good movement.
